E-LITE®

ARCHITECTURE & DECORATION

Driven by our passion for innovation,
we continue to expand the functionality,
performance, applications, and decorative options
for the growing new products development.

Creating the dramatic modern lighting
by integrating technology-driven design with form
and function.

We offer architectural and decorative fixtures that
deliver various styles
which will accent or define your space.

About Us

E-Lite Lighting Co., Ltd. is a trusted OEM/ODM/NDA partner to many global lighting brands due to specialization in professional LED commercial & architectural lighting design, development and production since 2007. Our reliable production facility, laboratory and design capability enable partners to realize the best implementation of their ideal concepts and launch cutting edge new products to build brands and markets in their countries with minimal operations investment. E-Lite's team has decades of experience in lighting industry and can provide high quality and professional comprehensive lighting solutions for customers.
